Super Clear EVA Film for Massive Lamination

EVAFORCE SUPER+

\*Super Clear EVA Film for Massive Lamination

\*Massive,Largest sold quantity in all EVA films

\*Great performance with affordable price

\*Aim for architectural safety laminated glass

\*Applied both indoor and outdoor

\*Replacing PVB Film

Super Clear EVA Film for Tempered Curved Glazing

EVAFORCE® EXTREME

\*Super Clear EVA Film for Tempered Curved Glazing

\*Less overflowing during vacuuming heating

\*Strengthened safety mechanical properties

\*Recommended for extreme environments, safety tempered glazing or curved glass

laminating

\*Applied both Indoor and Outdoor

\*Replacing PVB Film

3-Thermal cutter for trimming laminated glass edges overflowed remains;

4-Green tape for fixing laminated glass, high temperature resistance;
